## Iv San Bernard USA March Grooming Menu Recipes and Instructions

Using SLS FREE Banana, (Medium Coat) Lemon (Short Coat) and Green Apple (Long Coat) Shampoos & Conditioners. Please NOTE: you will not see a lot of lather or suds with these SLS Free products.

- Choose the appropriate shampoo based on coat type. Mix 1 part shampoo to 3 parts water. Apply and let soak for 5-10 minutes. Rinse
- Choose the appropriate conditioner based on coat type. Mix 1 part conditioner to 3 parts water. Be generous with conditioner as it is important to give back the oils, collagen and minerals that were washed away during the bathing process. Apply and let soak for 5-10 minutes. Rinse.

**Facial and Body Masks using Iv San Bernard Fruit of the Groomer PEKS and Ginkgo Oil.**

**Tools: You will need a nylon mixing bowl and nylon whisk**

- For Facial. Mix enough for 1 pet at a time. Choose your flavor orange, black cherry, mint, pink grapefruit, passion fruit or ginger/elderberry. Small Faces: Mix 1 TBLS of PEK with ½ tsp of Ginkgo Oil in bowl. Before the bath, apply to wet face avoiding eyes. Can use on ear flaps but do not put into the ears. Leave or 5 minutes. Rinse, proceed with bath. For larger faces use more product as needed.
- Full Body wrap for small dogs: Mix ½ cup of PEK with 1 TBLS of Ginkgo Oil in bowl. Before the bath, apply to wet face and body. Apply by hand going with the grain of the hair in a massaging fashion. Let soak for 5 minutes to draw out toxins. For longer detox you can wrap the pet in Iv San Bernard Atami wrap material and place pet to relax for 15-20 min. For larger of hairier pets use more product as needed.

**Mineral Foot Soak using Iv San Bernard Relax tablets**

**Tools: You will need a flat bottom plastic bowl that can hold at least 2 quarts of water. (half gallon)**

- Large dogs: Before bath, place 1 relax tablet into bowl with 2 quarts of water. Once dissolved, place pet's foot in bowl for 2-3 min. Repeat for each foot. Once finished proceed with bathing.
- For small-medium dogs you may use ½ Relax Tablet to 1 quart of water. For tiny dogs you can use ¼ tablet to ½ quart of water.

**Oils Therapy using Iv San Bernard Ginkgo Oil, Ozonized Olive Oil, Oligo Elements Oil and PEK Collagen.**

**Tools: nylon bowl and nylon whisk**

- During the conditioning step, add appropriate amount of conditioner to bowl with ½ tsp of Ginkgo Oil, ½ tsp of Ozonized Olive Oil, ½ tsp Oligo Elements Oil and ½ tsp of PEK collagen. Mix with conditioner and apply to coat. Let soak for 5-10 minutes and rinse. For large dogs or longer coats use more conditioner and oils as needed.

**For DE-Shedding and De-Greasing**

Use the Close-Open-Close Method with Orange Shampoo and PEK
