

MINERAL MIST SPRAY

Amazing Oils!

BENEFITS OF MINERAL MIST

- ✓ Helps regrow hair from shavedowns, mat removal, injuries and more!
- ✓ Helps give raw materials for hair growth and strengthening the hair shaft
- ✓ Helps boost the skin's immune system for better communications between systems
- ✓ Anti-bacterial effects

VITAMIN H LOTION

Trace minerals and vitamins that work on the hair bulb to give raw materials for hair growth.

REINFORCE LOTION

Vitamins that work directly on existing hair to strengthen hair shaft and support the coat.

INGREDIENTS

OLIGO ELEMENTS

Building blocks of skin and hair. Also boosts immune system by providing minerals that are necessary for body systems to communicate with each other.

SOOTHING LOTION

Contains anti-bacterial and anti-itch properties for the skin.

INSTRUCTIONS FOR MAKING MINERAL MIST

Mix equal amounts of each of the 4 ingredients in a small tinted spray bottle.

- Light can cause the deterioration of the lotions so always use a tinted spray bottle
- Shake well before use and apply onto affected areas on a clean, dry pet and let it absorb in
- FOR EXTERNAL USE ONLY
